Ilma. Dra.
Lia Daichman
ILC_ Argentina

Dear Dr^a. Lia Daichman!

We hereby indicate **Prof. Dr. Vicente de Paula Faleiros** to represent SBGG with ILC in Argentina. Professor Vicente Faleiros has extensive research experience in the area of "Violence against the Elderly", with several international publications.

Certain that the indication contributes to the advancement of studies in the area, we are available for any clarification. We have together with the Brazilian Society of Geriatrics and Gerontology, several professionals who develop research in this area such as Professor. Eliane Blesmann, ex- president of SBGG Gerontology, Marilia Berzins, who still studies in this field and develops a brilliant work in São Paulo.

Below is a summary of the curriculum lattes of Prof.Vicente de Paula Faleiros.

If you need more data, I can forward it by mail. As it appears in that moment and the desire to contribute to the advancement of the project area that we coordinate, we are at your disposal for any doubts.

Best Regards
