

Are you prepared for the future?

If you are injured or become unwell and can't make decisions about your lifestyle, health and finances, who would make them for you?

The Office of the Public Advocate is offering a FREE SEMINAR to explain:

- Enduring Powers of Attorney (property and financial decisions)
- Enduring Powers of Guardianship (lifestyle and health care decisions)

These powerful tools enable you to appoint someone to make these decisions for you, protecting you from potential neglect and exploitation.
